6. Documentation must be sent to the breeder within 24 hours of Owner's initial veterinarian visit for the Health Guarantee to be honored. Acceptable documentation needs to contain the following, your name, dogs name and veterinarians name and signature.

8. This guarantee does not cover any health issues caused by neglect or injury from the buyer.
9. This guarantee does not include minor illnesses and health issues such as colds, allergies, internal or external parasites. However, the breeder will disclose any known illnesses or health issues prior to the sale.
